POTENTIAL BUYERS

We believe this opportunity offers multiple options as a straight acquisition or as an addition to an estate of similar businesses. The vendor is planning to step back from the practice but is willing to remain in an executive management capacity for a maximum 6-month period if required to ensure an orderly transition of the business to an acquirer

BUSINESS POSITION

- This long-established medium sized business has a market leading position in its locality, offering a wide range of building supplies, hardware and advice.
- Their team comprises a range of experienced staff at all levels, who are capable of the daily operation of the business independently if required.
- Turnover at the business has grown year on year at 6% CAGR equating to a 32% growth in turnover in the last 5 years. Gross profits have averaged at 17.2% during this period, allowing growth opportunity for an acquirer.
- The vendor is retiring from the sector and does not want to remain with the business past a reasonable handover period.
- This opportunity is available on a freehold or leasehold basis
- The opportunity is offered on a cash free, debt free basis.
